

### **Other safety notes:**

- Be sure to remove any poisonous plants from your home and backyard. Full lists of plants are on the [aspca.org](http://aspca.org) and [petmd.com](http://petmd.com) websites.
- Monitor your pup in your home well. Exposed electrical cords are a chewing temptation!
- In addition to the dangerous foods for dogs listed in the other side of this folder provided by the AKC, I have found mentions of these on the internet:
